

Trainee Patent Attorney (m/w/d)

Technology specialist (including electrical engineering / IT / telecommunications / telecoms / robotics / physics)

About us

df-mp was founded in 2000 and is one of the leading IP firms in the German and European legal market. With over 100 staff and eight practices, we support renowned national and international clients in the acquisition, defence, and enforcement of IP rights.

We now have an exciting opportunity for a graduate to join our Technology Patent Department and train with us for a career as a German and European Patent Attorney.

I. Responsibilities:

You will be drafting patent and utility model applications, assisting with applications in Germany and abroad as well as with opposition, litigation, and invalidity proceedings. You will be given full support to achieve qualification as a chartered German and European patent attorney. We are offering the opportunity to become a permanent member of our team, contributing to our shared success.

II. Qualifications:

- You will be able to demonstrate a passion for technology that goes beyond the academic
 - We encourage applicants who are personable, well prepared, embrace new developments with enthusiasm and a forward-thinking mindset
 - Ability to analyze and express complex technical and legal ideas clearly and concisely
 - Excellent written and verbal communication skills in German and English
 - The successful candidate will be a self-starter with strong attention to detail and strong commitment to their work, the ability to adapt to changing priorities and to work harmoniously in a team
-

III. Benefits:

- Support to qualify as both a German Patent Attorney and European Patent Attorney
 - Comprehensive onboarding programme and work with a Partner and other attorneys on a broad range of assignments
 - A crisis-proof workplace and an office located in the heart of Munich
 - Flexible work hours within our flexitime scheme
 - Possibility of remote work
 - Free public transport ticket
 - Ergonomic office furniture
 - 30 days paid leave, additional extra days for special occasions
 - Individual training and development opportunities
 - 10% discount in selected shops
 - Free sodas and fruit
-
